EXTREMISM & TERRORISM Research Group

Terrorism and extremism have had an immense impact on society, especially in the twenty-first century. Terrorists and extremists have used their extremist ideals to spread fear and hatred throughout the world, such as through terrorist attacks. Our research group seeks to examine efforts to prevent and deal with potential extremism and terrorism on a national scale

Research Themes in 2023

THE EFFECTIVENESS OF COUNTER-TERRORISM PROGRAMS
IN INDONESIA

OUTPUT: AN ARTICLE PUBLISHED IN A GLOBALLY INDEXED JOURNAL
